ABOUT HIM

I am an Independent, positive, well experienced freelancer or entrepreneur. I did my BTech from IITMadras, MS from Caltech and Phd from IISc. I would like to teach IITJEE physics for 5 years, then do post doc and become a prof at Indian Institute of science. I solve the rubiks cubes.. Will update more soon. We have own house 2 floors one to live and one to let. Sister is married and is in USA.

A psychological question is if I win a 10 million \$ lottery in 3 years would you have married me now

Reg marriage and same day joint account preferable.. Bangalore preferred..

I wear suit to work everyday.. Look to improve health and work with many!

About Me

Describe yourself in a few words

Their courtship was a dance of opposites attracting, a gentle unraveling of Elara's carefully constructed solitude by Liam's boundless warmth. She found herself hiking mountains she'd only read about, laughing at jokes she wouldn't have understood a year prior, and discovering a vibrancy in the world she hadn't known was missing.

When Liam proposed, it wasn't a sudden, grand gesture, but a quiet, heartfelt question whispered under a sky full of stars. Elara, to her own surprise, said yes withou ...more
